

Model No: Y1011ZU

ASSEMBLY INSTRUCTIONS

1. Mark the mounting holes on the wall according to the hole spacing of the fixture base and drill holes on the wall (A).
2. Gently tap the plastic drywall anchors (B) into the hole with a hammer.
3. Attach the base (C) of the light to the pole using the screw (D) to secure.

Please consult a qualified Electrician if you are not familiar with electrical wiring.
