

# Model#: B7264-3CU-BK

## ASSEMBLY & INSTALLATION INSTRUCTIONS

*Please read carefully and save these instructions, as you may need them at a later date.*

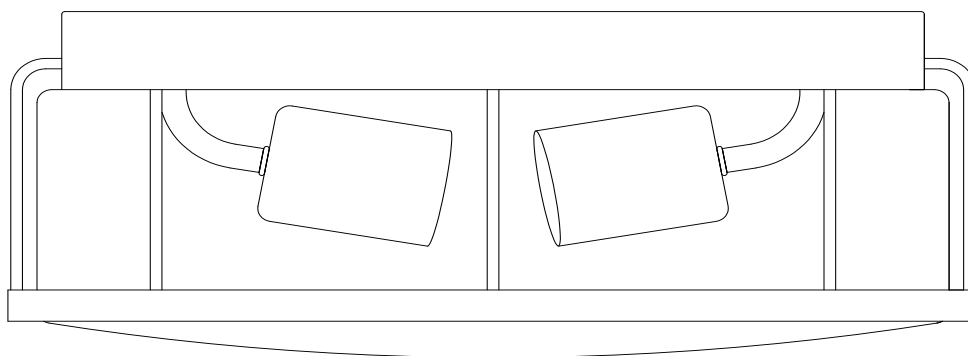

### CAUTION

Turn off the main power at the circuit breaker before installing the fixture, in order to prevent possible shock.

### GENERAL

All electrical connections must be in accordance with local and National Electrical Code (N.E.C.) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

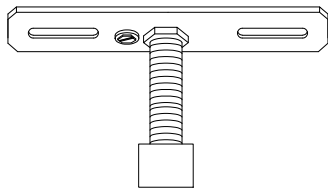

Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.

**Bulbs : 3\*E26\*60W (NO BULB INCLUDED)**

**PRODUCTS ARE NOT INTENDED  
FOR COMMERCIAL USE.**

**IMPORTANT: Turn off the power at the main fuse or circuit breaker box before starting installation**

**Bracket**

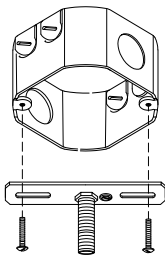

**Mounting Screw\* 3**

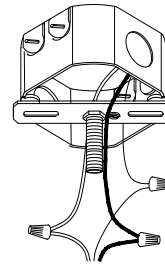

**Wire Nut\*3**

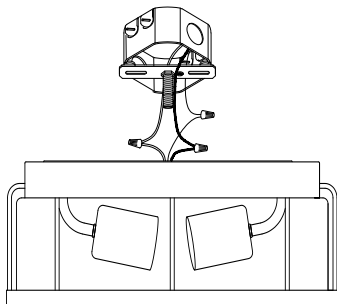

**Locate all hardware & components before discarding packaging**

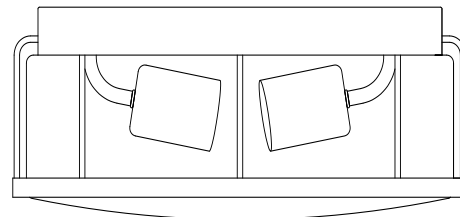

**Step 1: Attach mounting plate to the outlet box using two mounting screws**

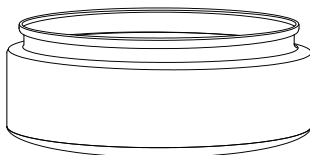

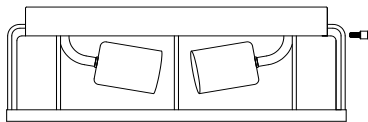

**Step 2: Connect the fixture black wire to the house black wire and the fixture white wire to the house white wire using wire nuts provided. Connect the copper wire on the light fixture to the mounting plate by securing it with the preinstalled grounding screw, and then connect grounding wire with the wire nut. Tuck all the wires into outlet box**

**Step 3: Place the BACK PLATE of the fixture over the OUTLET BOX and onto the NIPPLE, and adjust the NIPPLE until it protrudes out from the BACK PLATE 1/4". Remove the BACK PLATE and secure the position of the NIPPLE by tightening the HEX NUT against the MOUNTING BRACKET. Place the BACK PLATE back onto the NIPPLE, and secure into place using the THUMB NUT provided.**

**Step 4: Install light bulb(not included). Use a 60-watt max, medium-base incandescent bulb or CFL or LED equivalent(not included).**

**Step 5: Loosen the screw on the glass holder. Then insert the glass shade all the way into the glass holder and tighten the screw to hold the glass shade.**

**Cleaning & Care:**

**Clean with soft cloth and a mild detergent.  
Do not use abrasive cleaner.**
